## God of War® Kratos Blade of Chaos

**Spec Sheet Release Date** 8/1/09

God of War® has become one of the most popular video games in the world since its inception in March 22, 2005. The action-packed title based on Greek mythology, follows the battles of Spartan Leader, Kratos, who is forever indebted to Ares, the God of War. This authentically detailed sword is an exact replica of the pair wielded in the game.

The blade is cast from zinc aluminum material with custom etched mold textures and features fantasy grindings that mirror the piece carried by Kratos. This replica was created using the finest grade materials and craftsmanship available.

Each replica is marked with the appropriate copyrights to ensure authenticity. Includes a custom display stand and certificate of authenticity.
